

## *Life's Reflections*

*Sunrise October 13, 1941- Sunset July 4, 2017*

Hatchie D. Greene was born October 13, 1941 in St. Louis, Missouri to the late Robert Hoskins, and Mable Corynn Fogg. She was the youngest of four children reared in a Christian home along with her brother Theodore, sisters Louise, Genell, and Eleanor. Two siblings preceeded her in death, Genell Moore and John Hoskins.

Hatchie accepted Christ as her personal Savior at an early age and was baptized and served on the Usher Board at New Bethlehem Baptist Church in St. Louis, MO.

Hatchie holds a M.A. Degree in Mathematics and an M.A. Degree in Computer Science. She retired after 37 years of teaching math from Sumner High School.

While teaching Hatchie developed and maintained a high school bridge club for eight years. Her students participated in National Tournaments. If you meet an American Bridge Association (ABA) player, chances are they were taught bridge by her.

Hatchie joined the ABA in 1988 and American Contract Bridge League (ACBL) in 1989 and has been an instructor/director for ABA for 20 years. ABA has presented her with many meritorious awards, and 2 years ago she received the Life Membership Award, which she so proudly boasted about never having to pay annual dues ever again. Hatchie directed games at Bridge Haven and at St. Louis Bridge Center.

Hatchie was called home on July 4, 2017 at Aperion Care - Hidden Lake, Rehabilitation Center in St. Louis, Missouri. She leaves to cherish her Memories, daughter, Darlene G. Harris; son, Thedrick J. Daniels II (Theresa). She also leaves her loving grandchildren; Darryl A. Harris, Chellie R. Harris, Thedrick J. Daniels III, Warren Daniels, Jaena Daniels, Mark Daniels; her one and only great-grandchild, Raeleigh Elizabeth Murphy; sisters Louise Broadnax, of Chicago IL, Eleanor Shivers (Ernest), of St. Louis MO; brother, Theodore Hoskins (Lee Etta), of St. Louis MO, and a host of cousins, nieces, nephews, and friends whose lives were enriched by having loved her.

Hatchie will be missed by all of us, but we can find comfort and solace in her being a part of our lives.
